

APPLICATION

monta pack 481F is an adhesive tape for multiple applications and ensures the permanent closure of medium heavy cartons. It is easy to unwind and suitable for the application with tape dispensers and packaging machines. The tape is tearable by hand. Because of its natural look, paper tape can be an alternative for tapes with plastic backing especially when a homogeneous packaging is required. Properties: high adhesion, moisture- and weather-proof, temperature resistant: after application at room temperature up to approx. 60°C short term, silicone free, printable, tearable by hand, suitable for recycling processes.
